

PMS WEEKLY REPORT

Period Ending on 16 September 1986

STAT

Progress Report on Tasks Assigned by the DCI/DDCI:

2. Items or Events of Major Interest That Have Occurred During the Preceding Week:

a. CONIF Activity: Over 500 contract actions, i.e., contracts and amendments, reflecting the past week's contracting activity, were input into the CONIF database. While this represents a heavy workload level, CONIF is keeping up with it.

b. Corporation Inquiry: [ ] has requested a review of its [ ] status after a discussion with the Office of Information Technology representatives. This review is underway and further discussions with [ ] are expected in the near future.

c. Support to the DDA: In response to the Directorate of Administration's Planning Officer's inquiry, <sup>the office of Logistics completed</sup> a survey of contracting activity ~~was undertaken to~~ identify examples of support to the U.S. military. This survey indicated that a significant portion of the Agency's contracting activity (particularly in the Directorate of Science and Technology's contract teams) is in support of Department of Defense requirements.

3. Significant Events Anticipated During the Coming Week:

Agency Contract Review Board (ACRB) Activity: During this week, seven cases will be heard by the ACRB.
